REASONS FOR ALLOWANCE

1. Claims 2-8, 21 and 22 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claim 21 of the current application teaches similar subject matter as the prior art of Colmenarez et al. (US 6,931,147). However claim 21 is allowed for the reasons pointed out by applicant's remarks (page 4, last paragraph – page 5, 1st paragraph). Colmenarez et al fails to teach "***measuring the reaction of the particular user as each of the plurality of stored digital images is displayed; determining, from the measured reaction of the particular user to each of the plurality of displayed images, a degree of importance for each of the plurality of stored image; and using the stored degree of importance metadata to retrieve at least one stored digital image of importance to the particular user***".
3. Claims 2-8, and 22 are allowable for being dependent on an allowable base claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
